Video armand maulana terluka

Together with the gearbox band, this born in Bandung has produced dozens of blows in Belantika national music. Read also: "Project", the last project of the Brilliant Armand Journey Armand starts from his hard work by young age. When he was in elementary school, Armand had been listed as a member of the Genesis Fans Club, a group of musical groups of Genesis Rock. Armand also has collected jazz, fusion and similar albums. After 25 years of work in the Indonesian and 22-year-old music industry he joined the dental group, Armand finally released his only single unique project entitled "When you can Ã ¢ â,¬ Ã ¢ â,¬ under the shadow Trinity Optima production label. In 1990, he began exploring the world of singing professionally being a vocalist for the next band. In this single project, this dewi trip husband will bring the concept and creating a new music that is It's fresh and other than what has been released with your teeth. Attractive music is equipped with iconic voice sounds that produce Armand Maulana becomes a model of role and inspiration of today's young musicians. He also also combined with the group Vocal Trio Libels in 1991. "Make me, the musician is not junior or elderly. In collaboration with musicians who are older than me and younger, all alone to exchange knowledge. Until finally on March 22, 1994, together with Aria Baron, Thomas Ramdhan, Ronald Fristianto and Dewa Budjana, he founded a band of bands with the name of the teeth who still survived so far. Turn on the half of the 1980s when the music of the type of fusion began to make them. And the reason I want to collaborate with young musicians because I really want to refresh musical references from all sight angles, said Armand. [Intro] Ã‚Â AmÃ‚Â FÃ‚Â AMÃ‚Â F AmÃ‚Â Ã‚Â Ã‚Â Ã
